

Privacy Policy for My Wallet

Last updated: July 15, 2026

This privacy policy governs your use of the software application My Wallet ("Application") for mobile devices that was created by Dariusz Lipski.

1. Data Controller

The data controller responsible for your personal information is:

Dariusz Lipski

NIP: 9542475904

REGON: 243236021

Email: darek.lipski@gmail.com

2. Information Collection and Use

User Provided Information

The Application obtains the information you provide when you download and register the Application. Registration with us is optional. However, please keep in mind that you may not be able to use some of the features offered by the Application unless you register with us.

When you register with us and use the Application, you generally provide:

- Your email address and username (created during registration).
- Transaction-related information, such as when you make purchases, respond to any offers, or download or use applications from us.
- Information you provide us when you contact us for help.

Automatically Collected Information

In addition, the Application may collect certain information automatically, including, but not limited to, the type of mobile device you use, your mobile devices unique device ID, the IP address of your mobile device, your mobile operating system, the type of mobile Internet browsers you use, and information about the way you use the Application.

3. Third-Party Services

We may work with analytics companies to help us understand how the Application is being used, such as the frequency and duration of usage. We also use standard Google services to distribute and maintain the app.

The Application utilizes the following third-party services which may collect information used to identify you:

- **Google Play Services:** [Google Privacy Policy](#)

4. Data Deletion Rights (Account Deletion)

We value your privacy and give you full control over your data. You have the right to delete your account and all associated personal data (email and username) at any time.

You can request data deletion by:

- Using the "Delete Account" option directly within the settings menu of the Application.
- Sending an email request to our support address: darek.lipski@gmail.com.

Upon receiving your request, we will permanently delete your account and associated registration data from our active databases within 30 days, unless we are legally required to retain it.

5. Security

We are concerned about safeguarding the confidentiality of your information. We provide physical, electronic, and procedural safeguards to protect information we process and maintain.

6. Changes to this Privacy Policy

This Privacy Policy may be updated from time to time for any reason. We will notify you of any changes to our Privacy Policy by posting the new Privacy Policy here and updating the "Last updated" date above.

7. Contact Us

If you have any questions regarding privacy while using the Application, or have questions about our practices, please contact us via email at darek.lipski@gmail.com.
